## KEARNEY CHAMBER OF COMMERCE - INTRODUCING A NEW PROGRAM

Another great member benefit is coming to you as a Chamber of Commerce Member. On July 1, 2011 we will be launching a Member 2 Member Discount Card. This program is designed to provide our members with another service and value to their chamber membership. This program offers a unique combination of promoting Member 2 Member buying, boosting sales for our members, and increasing member visibility. Chamber member businesses are encouraged to patronize fellow Chamber members. There are nearly 200 companies and individual chamber members representing over 500 individuals, which result in significant purchasing power that can positively impact your business.

As part of the Member 2 Member plan, Chamber members will be issued a card identifying their membership in the Kearney Chamber of Commerce and their eligibility for program discounts. Members simply present their card at these participating businesses to receive their discount on many products and services. Discounts will be listed on the Chamber website and Facebook page.

We heartily encourage our Chamber members to take advantage of this new opportunity to save money, as well as drive people to your place of business to gain exposure and obtain new customers. If you are interested in adding your business to the list of Member 2 Member participants, please call Siouxsan at the Chamber office 816.628.4229 or e-mail her at [Kearneychamber@uniteone.net](mailto:Kearneychamber@uniteone.net) for a registration form. Please complete the form promptly so we can get this additional Chamber benefit up and running.

Help the Chamber help you and the Kearney Community by driving new or additional business to our Chamber Members.
